Cause No. 1-98-435

Dear Ed:

I am writing to let you know that I plan to come to Rockwall August 6-8 in order to see Matthew and Laura. Please let me know in writing by August 1 which days and times I can see Matthew and Laura. I will accommodate your schedule. I would like to see them as much as possible while I am there. I love them and miss them more than words can ever express. I am going to great lengths to come to Texas for visitation. I had to take the time off from work without pay in order to make these arrangements. Also, my mom is having open-heart surgery the end of July, so leaving her will be difficult as well. In addition, I had to make arrangements for Christopher to start school while I am in Texas. Please, Ed, allow me to visit our children. Please let me tell them they have a mommy and that I love them more than anything.

You can telephone me at (606 523-3864 if needed. My address is 101 A Piper Way, Corbin, KY 40701.

Robin

Dear Robin:

Thank you for your telephone call informing me of your plans to come to Texas the week of August 6 - 10. Matthew and Laura are available to visit that week on Monday, Tuesday and Wednesday from 7:00 a.m. to 5:00 p.m. each day. They are not available on Thursday or Friday because of another commitment.

There are several items of information that Mr. Schuerenberg has asked that you furnish us to confirm that your visit with the children is in compliance with the divorce decree.

1. Where are the visits to take place?
2. Who will be supervising the visits?

Please be reminded that your visits are restricted to Rockwall County and that they are to be supervised by a competent adult approved by me. Also required are the letters from your psychiatrist confirming compliance with your court-ordered treatment and medication.

Your prompt written response to these questions will be appreciated.

Sincerely,

Edward
