RE: Melody East

Dear Ms. Duckworth:

I am writing to you to inform you that I did receive your letter to Ms. East with a copy of her letter to the Judge and a copy of the hotel bill. However, in reviewing my records it appears that Ms. East is no longer licensed. She has not been licensed as a social worker since 1994. I know have a new concern about your case, was she representing herself as a social worker? Do you have a business card or any other information that would indicate that she is licensed as a social worker. If Ms. East did not represent herself as a social worker then this board has no jurisdiction with the issues that you raise. If Ms. East is representing herself as licensed, I only have the authority to inform her that she is to cease utilizing and representing herself as a social worker. I know that this is not good news and I have enclosed another complaint packet in the event that the previously requested packet didn't make it to you. Due to the holidays our office has received several complaints that requested information was never received. However, if you have already received your packet then you can disregard the additional packet sent to you. informed as to the progress and status of the complaint.

Sincerely,

Shirley Bibles, LMSW-AP
Executive Director
